POT LUCK SUPPER

Your Stewardship Committee, is thinking ahead to the Pot Luck supper October 20.

One of our thoughts is about the Auction, which was successful at last years supper. As we all seem to continue to sort out the small treasures that take space on that shelf, could you think of adding some of them to the auction items. An example is from my front hall. A Boot Jack in the shape of a Cricket, When I was in my house "The Cricket was always on the hearth." We look forward to seeing your contributions and having the opportunity to share another Pot Luck Supper. - Lois Hope
