

MISSION MOMENT

March 1: Community outreach

West Toronto's St. Andrew's Islington Presbyterian Church has begun a new missional experiment called *Intersection* that seeks to reach out to people living in their community. This ministry invites people who have never been to church and may not feel comfortable stepping inside a church building to experience worship in a way that is more comfortable for them. The church is introducing neighbours to Christ by hosting events in everyday places such as retail spaces and condo party rooms. They hope to bless their neighbours by offering ESL meet ups, a senior's drop-in café, divorce care groups, and parenting support programs.
