

MISSION MOMENT

March 8: International Women's Day

In India, many girls miss school each month because they do not have the supplies or facilities they need during menstruation. Unsanitary practices put them and their communities at risk. PWS&D-supported community mobilizers are helping girls in India stay in school by educating them about personal and menstrual hygiene. Rima Kumari, a 14-year-old girl from Nandlali village, spent time with a community mobilizer. She received sustainable, reusable sanitary napkins and learned about personal hygiene practices. Now, with the supplies she needs, Rima can embrace the joy of uninterrupted learning.
