We are so fortunate in our congregation to have many nationalities and languages represented. For our Anniversary Sunday service, we would like to ask everyone to write 'Happy Anniversary St Timothy's' in their home language and identify what that language is. Please send this to John Wambombo on our technical team at [jwamb073.com](mailto:jwamb073.com). We will be presenting those received at our Anniversary Service.

**BIRTHDAY CELEBRATIONS!** Every month we will celebrate birthdays. On **Apr 25**, those with **April** birthdays are invited to stay on Zoom following the worship service for birthday wishes and a song!

**SCHOOL KITS FOR KIDS:** Thank you to everyone for your generous donations to this special project. We are delighted that the total amount required was raised and will be forwarded to the DR Congo.

**GARDEN PLOT TO LET:** One of St. Timothy's vegetable garden plots is available to let for this season. The cost is \$35, which includes tilling, composting and water. You will be responsible for all planting, weeding, watering, harvesting and putting the garden to bed in the fall. If interested, please contact Helen Lee at [helenlee734@gmail.com](mailto:helenlee734@gmail.com).

**WORSHIP SERVICE RECORDINGS:** The Worship Committee is pleased to announce that members of St. Timothy's can now view the Zoom worship service recordings. What a wonderful way to end the day. Parents are asked to teach their children how to mute/unmute. The Zoom link will be provided by Rev. Reine.

## COMMUNITY ANNOUNCEMENTS

**GRACEFIELD CHRISTIAN CAMP AND RETREAT CENTRE:** GCCRC is still awaiting word from the Quebec government about its final decision on camps for 2021. Due to the ongoing Covid 19 pandemic, you can register now but we are not accepting any deposits or payments at this time. If you register by April 30, you will receive a 10% "Early Bird" discount. We will communicate the details of how to make payments once we are able to begin accepting them.

It would be great to be able to welcome campers back this summer. Our curriculum this summer, "Creation Speaks" invites us to look to God's Creation, including each other, as we listen for God's voice in the world today. By looking anew at the Creation story, campers will imagine what each part might teach us about God and our place in the world. Light, water, earth, seasons, animals, humans, and even a day of rest will invite campers to listen for God, still speaking to them today.
