**WELCOME** to all who share in our worship!

St. Timothy's Presbyterian Church is a welcoming, Bible based, Christ centred worshipping community committed to loving God, loving one another, and loving the world to which He sends us.

St. Timothy's Presbyterian Church will continue with in-person Worship Services in the Sanctuary and simultaneously livestream the Worship Service via Zoom. In addition, preparations have been made to welcome the children into the Sanctuary and to their Sunday School classes following story time. Moreover, we are encouraging "safe-singing" by the congregation with masks on to enhance our Worship Service experience. Inside the church, masking and physical distancing will be required; it is our hope that all people attending will be fully vaccinated. Guidance received from Ottawa Public Health and the Ontario Ministry of Health will be followed.

Each Friday an email invitation containing the Worship Service Zoom link will be circulated to the congregation for those who wish to continue joining the Worship Service virtually. Everyone is invited to open their camera so that other participants can feel your presence. Please mute your microphones. Newcomers are welcome to join!

### GENERAL ANNOUNCEMENTS

**WORSHIP ELDER:** This Sunday's Worship Elder is Linda Walker.

**WE WANT YOU BACK:** *However*, we require helpers to assist with Sunday services in our sanctuary. It takes more than just Rev. Reine to lead us in worship during this pandemic.

If you are available and willing to help during this time, we, especially the Worship Committee, would be very appreciative. For us to be able to worship together during this pandemic we must take specific precautions and that takes some added effort. We need people to greet us and, yes, take our temperature, people to record our attendance in case anyone becomes sick, and last, but not least, we need people to clean the sanctuary before and after our service to ensure we don't pick up any germs or leave any behind. Remember, we can carry the COVID-19 infection for 4 or 5 days before any symptoms appear.
