MISSION PROJECT 2025: St Timothy's endorses a Mission Project each year under the umbrella of the Mission and Outreach Committee. This is a way of reaching beyond our church and ourselves by sharing and spreading the blessings that we as a church have received. We praise God for our good fortune and the opportunity to share. We do not fund raise for these projects, but depend upon the good will of our congregants who always support us. This year we have chosen to support CanHave Children's Centre Inc. or CANHAVE which is a registered charity in Canada. CANHAVE supports the education of orphans in Uganda who have lost their parents to AIDS. Without parents to pay the fees children are unable to attend school to attain the basic education and to develop life skills that enable them to become contributing members of society. Our goal is to raise \$2000 by September 2025 so our contribution can be applied to the new school year. More information. [CANHAVE Children's Centre – "Education is the most powerful weapon which you can use to change the world." – Nelson Mandela](#). Envelopes are in the Narthex.
